Association Liability Insurance Proposal

Notice to the Proposed Insured

(Pursuant to the provisions of the Insurance Contracts Act 1984)

1. Disclosure of Relevant Facts

Your Duty of Disclosure

Before you enter into a contract of general insurance with an insurer, you have a duty, under the *Insurance Contracts Act 1984*, to disclose to the insurer every matter which you know, or could reasonably be expected to know, is relevant to the insurer's decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to us before you renew, extend, vary or reinstate a contract of insurance.

Your duty however does not require disclosure of a matter

- that diminishes the risk to be undertaken by the insurer
- that is common knowledge
- that the insurer knows or, in the ordinary course of business as an insurer, ought to know
- as to which compliance with your duty is waived by the insurer.

Non-Disclosure

If you fail to comply with your duty of disclosure, the insurer may be entitled to reduce its liability under the contract in respect of a claim or may cancel the contract. If your non-disclosure is fraudulent, the insurer may also have the option of avoiding the contract from its beginning.

Comment

The requirement of full and frank disclosure of anything which may be material to the risk for which you seek cover (eg. claims, whether founded or unfounded), or to the magnitude of the risk, is of the utmost importance with this type of insurance. It is better to err on the side of caution by disclosing anything which might conceivably influence the insurer's consideration of your proposal.

2. Claims Made Policy

This proposal is for a "claims made" policy of insurance. This means that the policy covers you for claims made against you and notified to the insurer during the period of cover. This policy does not provide cover in relation to:

- events that occurred prior to the retroactive date of the policy (if such a date is specified);
- claims made after the expiry of the period of cover even though the event giving rise to the claim may have occurred during the period of cover;

- claims notified or arising out of facts or circumstances notified (or which ought reasonably to have been notified) under any previous policy;
- claims made, threatened or intimated against you prior to the commencement of the period of cover;
- facts or circumstances of which you first became aware prior to the period of cover, and which you knew or ought reasonably to have known had the potential to give rise to a claim under this policy;
- claims arising out of circumstances noted on the proposal form for the current period of cover or on any previous proposal form.

However, where you give notice in writing to the insurer of any facts that might give rise to a claim against you as soon as reasonably practicable after you become aware of those facts but before the expiry of the period of cover, the policy will, subject to the terms and conditions, cover you notwithstanding that a claim is only made after the expiry of the period of cover.

You should familiarise yourself with our standard form of policy for this type of cover before submitting this proposal.

3. The Applicants for Insurance

In this proposal the Applicants for insurance are:
